12th Annual Meeting | 19-21 September 2024

WELCOME

Dear members, colleagues, and friends,

It is a great pleasure and honor for us to invite you to the 12th Annual Meeting of FUE Europe Society, which will be held in Cyprus this year.

As advocates of continuous learning and collaboration, we believe that seminars, meetings, and workshops provide invaluable opportunities to expand knowledge, assess developments, educate oneself, explore cutting-edge technologies, and foster meaningful connections within our professional community.

We are committed to ensuring that our members and participants receive the highest standard of education and training, which we consider essential for the benefit of our patients.

If you want to be up to date with the latest and newest on FUE and regenerative medicine, this is a must meeting to attend. Our diverse lineup of speakers and faculty will offer impartial insights to help tailor the best approach for each case, encompassing various FUE methodologies.

The conference agenda is packed with the latest in FUE technology, methodology, insight, and regenerative medicine.

Highlights of the conference include:

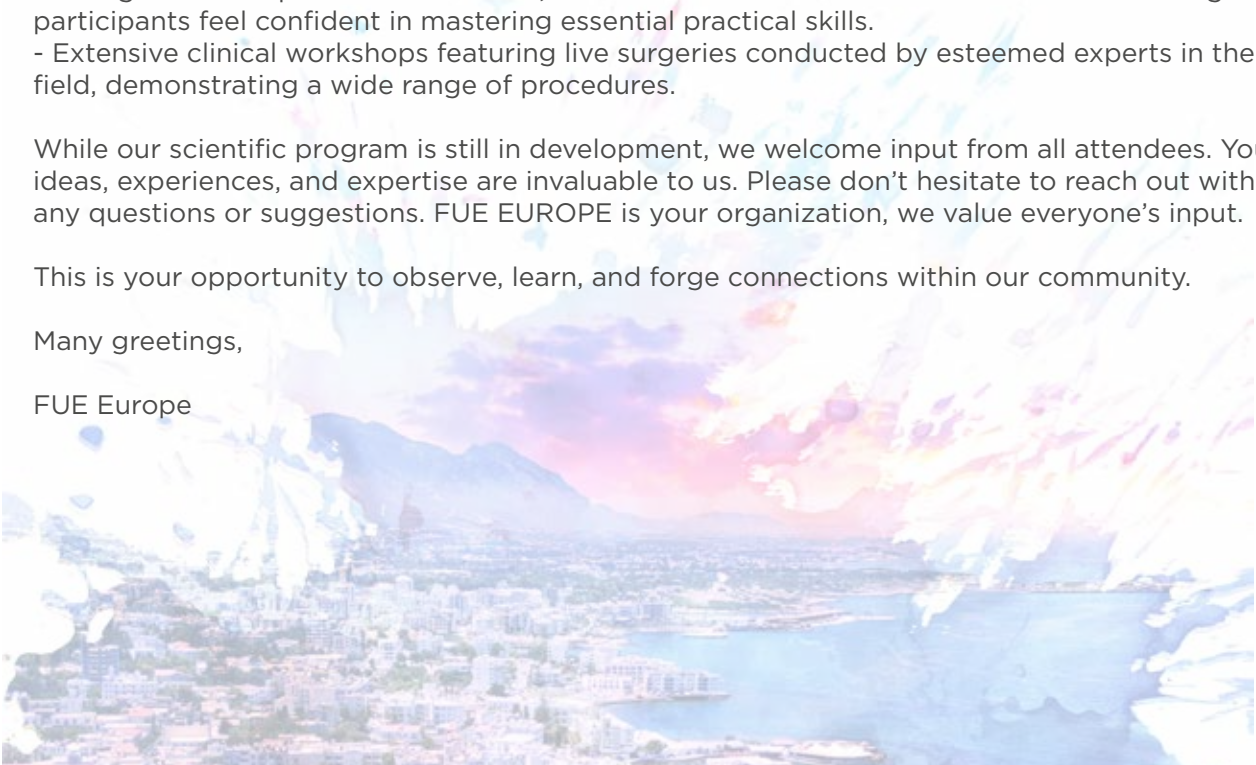

- A comprehensive agenda showcasing the latest in FUE technology, methodologies, insights, and regenerative medicine.
- A dedicated newcomers' day designed for those new to FUE or looking to enhance their existing skills. No question is too basic, and time and attention will be devoted to ensuring participants feel confident in mastering essential practical skills.
- Extensive clinical workshops featuring live surgeries conducted by esteemed experts in the field, demonstrating a wide range of procedures.

While our scientific program is still in development, we welcome input from all attendees. Your ideas, experiences, and expertise are invaluable to us. Please don't hesitate to reach out with any questions or suggestions. FUE EUROPE is your organization, we value everyone's input.

This is your opportunity to observe, learn, and forge connections within our community.

Many greetings,

FUE Europe
