MESSAGE FROM THE FUE EUROPE SOCIETY

00.

Dear Colleagues, Friends, and Industry Partners,

It is with great pride and enthusiasm that we invite you to join us for the 13th Annual Meeting of the FUE Europe Society, taking place in the vibrant city of Madrid from September 18 to 20, 2025.

This year's congress promises to be our most ambitious and global edition yet. With the partnership of FUE Asia, Tricomed, and part of FUE Global, we are creating a truly international platform that reflects the future of hair restoration — collaborative, innovative, and patient-centered.

Our program will bring together world-class faculty, live surgery workshops, regenerative medicine insights, and industry breakthroughs, offering invaluable education for both beginner and advanced practitioners. It is also a unique opportunity for companies to connect with an audience of dedicated physicians, clinic leaders, and key decision-makers from across the world.

We warmly welcome you to be part of this exciting journey — whether as a sponsor, exhibitor, speaker, or attendee. Together, let's advance our shared mission to shape the future of FUE surgery and beyond.

We look forward to welcoming you to Madrid.

Warm regards,

The FUE Europe Society
